Completed

## Gaea Global Technologies

Oracle Primavera and Value Chain Experts

### Challenges

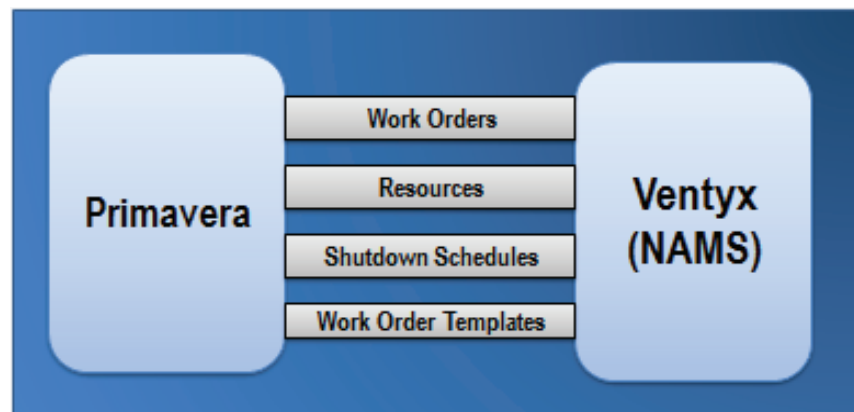

- Get a combined view of the nuclear plant schedules across multiple systems so that Plant Managers have a combined view in the event of a shutdown?
- Synchronize resources from an Asset Management Suite into Primavera.
- Streamline a consistent process across Plants/ Systems.

### Solution

- An integrated solution using Oracle Primavera and the Asset Management Suite was devised to synchronize the following information.

### More Information

[sales@gaeaglobal.com](mailto:sales@gaeaglobal.com)

### Benefits

- A holistic view of Nuclear plant schedules across multiple systems achieved.
- Stream lined a consistent Process across Plants & Systems.
